いっしょにどこへでも行けたなら If I could go anywhere with us.

季節はめぐり、移ろいゆくものだから Because the seasons turn and change the scenery

手のひらの中に 何を残そう。 What will be left in the palm of my hand.

目が覚めてもこわくならないおまじない。 それももう、私にはいらない。

A spell to wake up and not be scared. I don't need that anymore either.

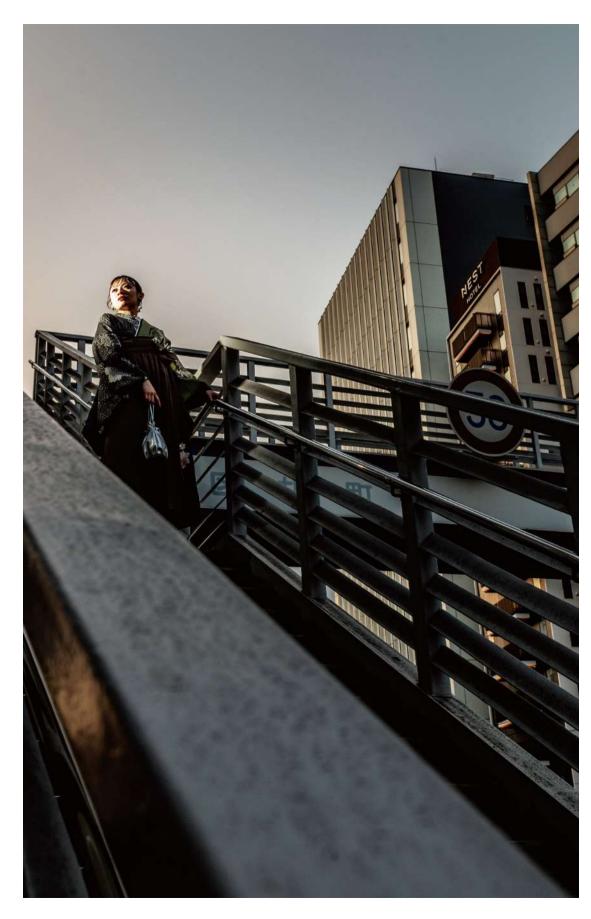

美しい花は自らを語らず Beautiful flowers do not speak for themselves,

そこに在り続ける。 But they remain there.

何もいらない、 私だけのもので満たしたなら I don't need anything, if I fill them with my own

瞳の奥に 何が残るのでしょうか What would remain in the depths of my eyes?

これは小さな世界の物語 This is the story of a small world,

或いは、あなたの魅力についての詩(うた) Or a poem about you.

A new dawn, Just for you.
