FURICO HAKAMA CATALOG 2026 EDITION

Congratulations  
to you.

終わりの景色は、いつもどこか美しい  
それは形を変えて輝く、始まりの景色

振り返るとそこに咲いていた

Looking back, she appears cheerful,  
like a flower about to bloom at any moment.

いっしょにどこへでも行けたなら  
If I could go anywhere with us.

ほどけないように結ぶ  
Tie it so it won't come undone

花と、束ねた思い出たちを  
Flowers and memories.

季節は次の小節へー

The season moves on to the measure

謳うように空を舞った

Floating through the sky as if singing

目が覚めてもこわくならないおまじない。  
A spell to wake up and not be scared.

それももう、私にはいらない。  
I don't need that anymore either.

世界は極彩色のモンタージュ  
World is a brilliantly colored montage  
Among them,

ここまで来た理由は、心だけが知っている  
Only your heart knows why you've come this far.

あなたは宿す  
You harbor yourself within your heart.

あなたのままで  
just as you are—

これは小さな世界の物語  
This is the story of a small world,

或いは、あなたの魅力についての詩(うた)  
Or a poem about you.

A new dawn, Just for you.
